

ACCURATELY ASSESSING YOUR NEEDS, PROVIDING THE SOLUTIONS YOU REQUIRE

## ABOUT US

Acu-Sol is a Cape Town based company founded in 1993 as a manufacturer and supplier of medical supplies and medical disinfectants. Over the years Acu-Sol has grown and diversified their product range and markets.

Acu-Sol's core business is the supply of products to the medical supply chain in particular healthcare pharmacy and wholesalers.

Acu-Sol has the production facility, administrative and technical personnel to continually improve its customer service, manufacturing and products.

## OUR MISSION

To address your product needs and offer the appropriate solutions.

To sell quality products that work effectively.

To maintain good customer service and rapid stock delivery.

To innovate the company, our products and the market for the better.

To provide continued education and skills development.

To treat the earth and all on it with care and consideration.

To provide quality products at an affordable price.

## OUR ADVANTAGE

As a service orientated business, a qualified staff member will engage with you to create solutions for your product needs. Partner orientated focus with people and companies who have similar mission objectives.

All products will meet quality requirements before been sold. Acu-Sol supplies to customers anywhere across South Africa, and beyond. Regular stock items are available Ex Stock and are invoiced the same day.

Invoiced and paid stock is dispatched the same day with arrival time ranging from 1-2 days to main national centers.

We believe in sustaining the future, by reducing our ecological footprint today.
